## FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

Regulation No.: 810 KAR 7:060  
Contact Person: John L. Forgy, General Counsel, Kentucky Horse Racing Commission;  
Telephone: (859) 246-2040; Email: John.Forgy@ky.gov

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Kentucky Horse Racing Commission will be impacted by this administrative regulation.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. The statutory authority for this administrative regulation is found in KRS 230.445.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? Although specific dollar estimates cannot be determined, the greatest impact of this regulation for the first year to the state and local government will be the increase in payroll taxes imposed upon all participants as noted in the Regulatory Impact Analysis & Tiering Statement, Section (3).

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? Although specific dollar estimates cannot be determined, continued growth and participation in the program over subsequent years will increase payroll taxes imposed upon all participants as noted in the Regulatory Impact Analysis & Tiering Statement, Section (3).

(c) How much will it cost to administer this program for the first year? Currently, there is very little Quarter Horse and Arabian racing in the Commonwealth and no Paint Horse or Appaloosa racing. However, if the number of participants increases, there will be a corresponding increase in the costs associated with administering the Fund.

(d) How much will it cost to administer this program for subsequent years? See answer to 4(c).

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation. This administrative regulation requires mares to be bred and foaled in Kentucky in order for the resulting foal to be eligible to receive distributions from the fund. This requirement provides economic support to all businesses and individuals who provide services necessary for the breeding and racing of Quarter Horses, Paint Horses,

Appaloosa and Arabian horses. See Regulatory Impact Analysis and Tiering Statement, Section (3).
