6th RACE #2 "Run With Grace" (Joseph Ramos) broke through the gate prior to the start but the rider stayed aboard and the assistant starter held onto the horse, who was then backed into place. When the field was ready to be dispatched it became apparent to the starter that there was a mechanical issue with the gate. The starter quickly informed the stewards that the gate could not be repaired and that he would put the auxiliary gate in place. The field was returned to the paddock during the 30 minute delay. The races resumed with the replacement starting gate, and without further issue.
