**Description and Information about New and Amended
Administrative Regulation Filed on March 12, 2021**

The KHRC filed the following new or amended administrative regulation on March 12, 2021:

810 KAR 5:080: Harness racing at county fairs

Summary of Administrative Regulation: This proposed amendment seeks to rebrand the harness races as the "Kentucky Proud Series." The amendment also removes obsolete and duplicative references and provisions. For instance, all references to the Kentucky Colt Racing Association are removed. Additionally, this proposed amendment removes several sections that are more appropriate for a racing condition sheet or condition book, and makes them available for the panel to decide on a yearly basis.

A copy of the proposed amendments to this administrative regulation may be found on the KHRC's website at <https://khrc.ky.gov/> under the tab labelled "Regulations."
