INCIDENTS/INQUIRIES/OBJECTIONS

- **Race 2** → A Lightning Delay was caused prior to Race 2 after a severe storm entered the area. After a discussion with the Association, Horsemen's Group, and State Veterinarian, it was agreed after a long delay we resume racing with shorting post time in between races to try and accommodate the remainder of the card. No further delays occurred.
- **Race 2** → #1 Hunting Hula did interfere with #4 High Flyin Filly prior to the ½ mile marker. The Judges agreed that #1 Hunting Hula was to be 3rd placed 7th due to interference.
