- **Race 21** → #7 Laser Speed did cause interference to #5 Windy Knight just past the  $\frac{3}{4}$  mile marker. #7 Laser Speed was 3<sup>rd</sup> placed 4<sup>th</sup> behind #5 Windy Knight.
- **Race 25** → The Driver of #4 Country Cowboy did file an objection on #5 Whiskey Wow for striking his wheel before the  $\frac{3}{4}$  mile marker. After speaking with both drivers and reviewing what footage was available there was insufficient evidence, and the race was allowed to go official, and the objection was disallowed.
