INCIDENTS/INQUIRIES/OBJECTIONS

- **Race 8** → #4 Vitos Lady was 4th placed 5th due to not losing ground continuously in the stretch while off stride. The Board of Judges agreed on this matter and after placing allowed the race to go official.
- **Race 17** → There was a delay prior to Race 17 due to heavy downpour and Lightning in close proximity. After waiting for the rain to subside and the track crew to get the track back in order and after discussions with drivers and monitoring the weather the Board Of Judges allowed the last race to continue after it was agreed upon that the lighting was a safe distance away.
- **Race 17** → #4 Shellysuecandoitto Did Not Finish as the driver pulled her up just after the $\frac{3}{4}$ mile marker due to never being on stride the entire mile.
