INCIDENTS/INQUIRIES/OBJECTIONS

- **Race 1** → The Board Of Judges had an Inquiry to confirm the break on #3 Special Select. It was determined that #3 did break a halter causing the horse to run. #3 did conform to all breaking rules and did finish third. The Board Of Judges all agreed and allowed the race to go official.
- **Race 9** → #7 Look At Me did go inside more than 3 pylons after the ¾ mile marker and before the top of the stretch without cause and was 6th placed 7th for the violation.
- **Due to the excessive heat index predicted in Southern Kentucky it was agreed upon by the KHRGC and Oak Grove that we started races at 9:00 AM and monitored the heat and all horses with the cooperation of the State Veterinarian.**
