- **Race 11** → #8 Zeppole Hanover made a break after the start getting hung up in equipment. The Judges engaged the yellow lights as #8 was not moving on the track and the driver had dismounted. After the driver and Outrider were able to quickly get the horses' equipment unstuck they were able to exit the track safely and quickly before the horses came around to them again. The Judges left the Yellow warning lights on for the remainder of the race and allowed the race to continue and go official without incident.
