7th RACE The race was delayed 15 minutes due to a severe thunderstorm in the area. During the delay the horses remained in the paddock without incident. The rainstorm forced management to move the scheduled turf race to the main track. Several late scratches reduced the field to five, necessitating the cancellation and refund of the Superfecta. Also, the change of surface required the mutuels department to make the last 2 races "ALL WIN" in any multi-race wagers that had begun before the change of surface was announced. The race was ultimately run on the sloppy main track without incident.

8th RACE Due to the change of surface, the race was contested at One Mile on the main track, as specified in the conditions of the race. Several late scratches reduced the field to six, necessitating the cancellation of the Super Hi-5. The mutuels department made the proper refunds. Also, the race was an "ALL WIN" in any multi-race wagers that had begun before the change of surface was announced prior to Race 7.

#8 "Miscovertooperation" BOLTED, was eased, and was placed on the Stewards List.
