 3rd RACE CLEAR
 4th RACE CLEAR

5th RACE The race was delayed 15 minutes due to a track maintenance issue. A tractor damaged a large section of inner rail just inside the 1/16 pole. After discussion with the track superintendent it was determined that the rail could not be immediately repaired. The stewards made the decision to move the two remaining dirt races (races 5 and 7) to the turf course to be run at 5-1/2 furlongs. The change of surface and distance was posted and announced prior to the running of race 5. The change of surface required the mutuels department to make races 5 and 7 an "ALL WIN" in any multi-race wagers that had begun before the change of surface was announced. During the delay the horses remained in the paddock without incident. The races were ultimately run on the firm turf course without incident.

6th RACE CLEAR

7th RACE Due to the change of surface the race was an "ALL WIN" in any multi-race wagers that had begun before the change of surface was announced prior to Race 5.

8th RACE CLEAR
