2nd RACE Voided claim - no funds

A citywide power outage occurred after the running of race 2, and before the race could be posted official. There was no working video or public address system during the outage that originated off the grounds and included a large area. The delay ultimately lasted one hour. Power was restored and the payoffs were finally posted for race 2. During the delay, the unsaddled horses calmly remained in the paddock without incident.

3rd RACE Super Hi-5 wagering was not offered when the field was reduced to six prior to the opening of wagering.

4th RACE #2 "Tapituro" (Cristian Torres) was pulled up abruptly nearing the 1/2 mile pole and required the assistance of the KHRGC veterinarians and the horse ambulance. The filly was transported off the track and diagnostics were performed. It was determined that she had suffered a catastrophic injury to her left foreleg and she was humanely euthanized.

5th RACE Super Hi-5 wagering was not offered when the field was reduced to six prior to the opening of wagering.

9th RACE #7 "Yammy Yammy Bella" (Gabriel Saez) finished eighth and suffered a post-race heatstroke. The filly, who required the assistance of the KHRGC veterinarians and the horse ambulance, was placed on the See Vet list.
