7<sup>th</sup> RACE A power outage caused a 10 minute delay to the start of the race. During the delay the horses remained in the post parade and circled behind the starting gate.

An objection was lodged by the rider of second place #9 "Runnin' Ray" (James Graham) alleging interference by the rider of the unofficial winner #6 "Max K.O." (Edgard Zayas) approaching the 1/4 pole. After reviewing the race replay and interviewing the riders, the stewards determined that there had been no interference and the race was posted official.
