1st RACE CLEAR

2nd RACE CLEAR

3rd RACE Super Hi-5 wagering was mistakenly listed in the official program as a wagering option, but the race had only been carded with six horses. Therefore the wager was not offered and the correction was posted and announced prior to the opening of wagering.

Due to an additional scratch, Superfecta and Odd vs. Even wagering were also not offered when the field was reduced to five prior to the opening of wagering.

An objection was lodged by the rider of fifth place (last) #1 "Cruisin in Harmony" (Victor Lara) alleging interference by the rider of the unofficial winner #5 "Elewene" (Martin Garcia) near the 1/2 mile pole. After reviewing the race replay and interviewing the riders, the stewards determined that the rider of #1 steadied when he brushed the rail and came out slightly into #5 on his outside. There was no change in the order of finish and the race was posted official.

4th RACE A Stewards Inquiry was posted when #6 "Flip Flop Freak" (Florent Geroux) fell suddenly and unseated his rider approaching the 3/8 pole. After reviewing the race replay, the stewards determined that no rival had caused the incident and posted the race official. It was reported that #6 had suffered a catastrophic injury to his left foreleg to cause the fall and he was humanely euthanized. Florent Geroux suffered injuries and was transported to the hospital.

5th RACE CLEAR

6th RACE CLEAR

7th RACE Super Hi-5 wagering was not offered when the field was reduced to six prior to the opening of wagering. Odd vs. Even wagering was not offered when only two horses with even numbers remained in after scratches, in conflict with the rules governing the wager.
