Horses may move up and down between the series, but points only accumulate in each series and are not combined at any time between the series. For example, if a horse placed first in one (1) leg of the Championship Series, one (1) leg of the Commonwealth Series and one (1) leg of the Goldenrod Series; the horse will have 50 points in each series (not a combined total of 150 points). For purposes of the Kentucky Sire Stakes – Championship Series Final, Commonwealth Series Final and Goldenrod Series Final, all provisions of 810 KAR 7:040 govern. In the event a horse is one of the top ten point earners in more than one series at the conclusion of all the preliminary legs, the horse must race in the series final with the highest purse in the following order: Kentucky Sire Stakes – Championship Series Final, Commonwealth Series Final & Goldenrod Series Final. For example, a horse that is a leading point earner in the Commonwealth Series and the Kentucky Sire Stakes - Championship Series must race in the Kentucky Sires Stakes – Championship Series Final.

If a horse does not qualify for the Kentucky Sire Stakes - Championship Final, the horse may be considered an also eligible (AE) for the Commonwealth Final based on points earned in the Championship Series (to fill the Commonwealth Series, if necessary). Preference for entry in the Commonwealth Final will be given to horses earning points in the Commonwealth Series. For example, if eight horses enter for the Commonwealth Final, those horses will draw for post positions 1-8, and post positions 9 & 10 will be drawn from the two highest point earning AE horses that were eligible to enter in the Championship Final as AEs.

If a horse does not qualify for the Commonwealth Final, the horse may be considered an also eligible (AE) for the Goldenrod Final based on points earned in the Commonwealth Series (to fill the Goldenrod Series, if necessary). Preference for entry in the Goldenrod Final will be given to horses earning points in the Goldenrod Series. For example, if eight horses enter for the Goldenrod Final, those horses will draw for post positions 1-8, and post positions 9 & 10 will be drawn from the two highest point earning AE horses that were eligible to enter in the Commonwealth Final as AEs.
