Lexington, KY 40511

Dear Chairman Rabinowitz,

The inaugural meeting of the Kentucky Sports Wagering Advisory Council (Council) took place on August 31, 2023. During this gathering, the Council was presented with a recommendation by Hans Stokke, the Director of Sports Wagering at the Kentucky Horse Racing Commission (KHRC), regarding matters concerning sporting events and sport's governing bodies. Following a thorough evaluation, the Council made a unanimous decision to officially support the accompanying memorandum and the enclosed "Wagering Catalog" designed for sports wagering purposes. Due to the immediate nature of this topic, the Council recommends that the KHRC's Executive Director approve the Wagering Catalog subject to ratification, in the event that a quorum KHRC's membership is not able to meet prior to September 7, 2023.

Sincerely,

William May

RE: Recommendation Related to Sports Governing Bodies, Sporting Events and Sports Wagering

In accordance with KRS 230.808, the Kentucky Horse Racing Commission (KHRC) is required to promulgate administrative regulations to establish standards for the conduct of Sports Wagering. As stated in 809 KAR 10:002 Section 2, a licensee shall not offer sports wagering that "has not been approved by the racing commission". A critical component of each system for sports wagering are the sporting events upon which sports wagers may be conducted. Therefore, the KHRC has solicited feedback from licensed entities and surveyed surrounding states in relation to lists of approved sporting events and types of wagers (Wagering Catalog). After reviewing this information, the KHRC staff has compiled a Wagering Catalog beginning on Page 2 of this memo. In reviewing the sporting events and sports governing bodies in the Wagering Catalog, the KHRC consulted with sister jurisdictions and weighed each against the suitability requirements set forth in 810 KAR 10:002.

Today, I represent the KHRC staff in recommending the Kentucky Sports Wagering Advisory Council's (Council) endorsement of the attached Wagering Catalog. If the Wagering Catalog is subsequently approved by the KHRC, it will be made available to all licensed entities as well as the public through the KHRC's website. The Wagering Catalog will then be used to craft a unique market for patrons wishing to place a legal wager in the Commonwealth of Kentucky.
