**KHRG Office of Charitable Gaming
Termination of Order to Disable Electronic Pulltab Devices
Manufactured by LNW Gaming, Inc. and Creative Game Technologies, LLC**

On November 21, 2025, in the best interest of charitable gaming in Kentucky, and to protect the public and charitable organizations of the Commonwealth, KHRG issued an Order requiring all machines manufactured by LNW Gaming, Inc. and Creative Game Technologies, LLC at locations other than a charitable organization's office location, the location where a charitable organization is licensed to conduct bingo, and a location where pre-approved charitable fundraising events are authorized be disabled immediately. The Order followed multiple reports of illegal "fishing" activities that resulted in the theft of tens of thousands of dollars.

Since issuance of the Order, the manufacturers have represented to KHRG that the identified vulnerabilities of the manufactured machines that, among other things, contributed to "fishing" criminal activity have been addressed and KHRG has since received no reports of "fishing" from charitable gaming licensees.

Therefore, the Order to Disable Electronic Pulltab Devices Manufactured by LNW Gaming, Inc. and Creative Game Technologies, LLC issued by the KHRG on November 21, 2025, is **terminated**.
