Churchill Downs Race 4

RACE DECLARED NO CONTEST

A Stewards Inquiry was posted shortly after the start when #2 "Zippy Baby" (Ricardo Santana, Jr.) hit and ran through the temporary turf rail, unseating his rider. The horse continued to run, causing a large portion of the rail to collapse. Because Santana was unable to be immediately moved and a large portion of the rail was down, the stewards took the necessary steps to have the field pull up by activating the alarm system and alerting the outriders. The horses were safely stopped near the 3/8 pole without incident and the race was declared a NO CONTEST. Both horse and rider escaped serious injury. Several claims that had been submitted in the race were voided. The mutuels department made the proper refunds.
